

PREPARATION FOR GLORY

God is preparing us to become a vessel of honor in these last days, a vessel containing and releasing the glory of his nature.

As we come into a maturity he will release the gifting of his Spirit and assign angles to us, so that his love can be displayed through signs and wonders.

In the last out pouring of power, a lot of the ministries became corrupted through the power released in their lives, and some of the angels do not even want to come back.

This moving of the Spirit will be different; God will not release the power to those who will take the glory to themselves, where the focus comes upon them, so we must qualify to be entrusted with this kind of miracle working power.

This is why it is important to have all our spirit, soul and body gates open, cleansed and working properly so that we can understand the ways of God and how His Spirit moves within us.

In one generation God is going to completely change the expression of Christianity on the earth and it will never be irrelevant again.

At this moment the church at large is a mess, the glory of God cannot be seen in her. The image of the beauty and the wonder of God has been disfigured, his glorious divine nature spoiled, his divine purity blemished through the manifestations of flesh- that union of soul and body that acts independently of the Lord. And most of the church does

not even understand what the word church means, the word has been hijacked by the enemy through religion.

The Greek word for church is- *ekklēsia*. In the time that the New Testament was written the word *ekklēsia* was a familiar word used to describe government. It literally means; those who are called out and set apart for the purpose of administering and expanding the kingdom of God upon the earth, to put into practice the principles and the culture of heaven, and bring that rule upon the earth.

Jesus said- I shall build my church and the gates of hell shall not prevail against it. And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven. Mathew 16:18,19

The father revealed to peter that Jesus was the son of the living God. And upon that revelation of sonship, Jesus was going to build his government, patterned after heaven upon the earth.

Jesus is coming forth inside of his people to be glorified. They shall become gateways for the life and government of heaven to flow through them into the earth.

We are going through a time of the refining fire where God is gathering and removing the stumbling blocks from his people, a time where judgment begins at the household of God where he is separating the wheat from the tares, within the church.

We are in a new era, that of God's government through the order of Melchizedek.

It is the crossing over Jordan. The mantle of spiritual authority has been removed from the Moses generation and has been released to the Joshua generation.

No longer shall Gods people be dependent upon some intermediate, some prophet to get a word from the Lord. The Joshua generation shall teach them how to hear the voice of God for themselves, how to possess their inheritance from God.

We have to enter into a maturity in the lord, to be entrusted with the government of his kingdom. Our heart has to be free from all the idols within it, so that Jesus becomes- our everything; just knowing him intimately is enough, we become presence centered.

We find that within our heart there has been a change of desires and values and what is really important. When Jesus becomes- our everything, we find that we have been entrusted with his kingdom.

We have only one desire- to love him. When the only thing that matters is that he might be seen in us, so that others may also know him, we find that within that compassion power is released.
